

OUR VISION
EVERYONE WHO NEEDS IT
SHOULD RECEIVE
FIRST AID FROM
THOSE AROUND THEM.

NO ONE
SHOULD SUFFER
FOR THE LACK OF
TRAINED FIRST AIDERS.

St John Ambulance welcomes young people **from the age of 12** onto all our community first aid courses. However, if an individual is **under the age of 16**, they must attend with a responsible adult family member or guardian, who must also pay and participate in the practical work. Up to two young people (under 16) can attend with one adult.

Carers Support Programme Free

This free programme is available to any adult caring for a family member, neighbour or friend, sometimes for several hours a week or, in many cases, 24 hours a day, 7 days a week (in an unpaid capacity).

Most carers have very little or no experience prior to becoming a carer and find looking after someone a huge responsibility. Carers often describe experiencing feelings of loneliness, isolation, stress and exhaustion.

Our trainers, within the four-session "Carers' Support Programme" will endeavour to provide you with some knowledge and skills in an informal atmosphere, to assist you with your caring role. Most importantly, you will meet people in a similar situation and be able to share your experiences in a safe environment that aims to support you. We hope to provide answers to any queries you may have or we can suggest further contacts.

Please note, this programme is not for the professional care worker.

Programme consists of four sessions, 10.00am-2.00pm

Tuesdays 4th, 11th, 18th & 25th March **HQ**

Thursdays 5th, 12th, 19th & 26th June **HQ**

Thursdays 2nd, 9th, 16th & 23rd October **HQ**

Kindly funded by the SHUFL Foundation

Please note our community courses are for the general public and will not meet Health and Safety Executive requirements to become a qualified work place first aider or carer.
